Displays can be set up starting the weekend of November 21st and must be completed by Thursday, December 3rd!

We will turn on the displays during our Christmas Tree Lighting Ceremony at the City Park on Friday, December 4th, 2026 at 6:00 pm. The Christmas in the City Park displays will then remain on each night throughout the entire month of December. All displays **must** include an illuminated banner or sign with the name of your business/organization. You will be responsible for checking on your display throughout the month in case the wind has blown it down or any lights have gone out. You will also be responsible for taking down your display within the first two weeks of January. If you have any questions, please call Clarkson City Hall during regular business hours at 270-242-6997, extension 1, email clerk@clarksonky.com, or visit cityofclarkson.com.

The City of Clarkson cannot be held responsible for any vandalism or damage to displays.
