

2023 Christmas in Clarkson City Park

It's almost time for the City of Clarkson's Second Annual Christmas in the Park event. You are invited to participate in this fun, exciting holiday event for our community at Clarkson City Park. There is no cost to participate, however you must register by November 17th, so you can reserve your spot. Donations are appreciated. All donations will go to help support the City Park.

*Remember your display does not have to be *huge or expensive*—*creativity* goes a long way.

*Displays can be set up starting the weekend of November 18th
and must be completed by Thursday, November 30th!*

We will turn on the displays during our Christmas Tree Lighting Ceremony at the City Park on Friday, December 1, 2023 at 6:00 pm. The Christmas in the City Park displays will remain turned on throughout the entire month of December. All displays must include an illuminated banner or sign with the name of your business/organization. You will be responsible for checking on your display throughout the month in case the wind has blown it down or any lights have gone out. You will also be responsible for taking down your display within the first two weeks of January. If you have any questions, please call Clarkson City Hall during regular business hours at 270-242-6997, extension 1, or email clerk@clarksonky.com.

The City of Clarkson cannot be held responsible for any vandalism or damage to displays.
